We're linked together,
across all space and
time. What a gift.
I'm so happy that your
life is tied with mine.

LOVE YOU

Believe in the song
that is only yours to
sing. Know how much it
matters. And remember,
you have wings.

YOU CAN

We're here for
each other. Our lives
intertwine, over and over
again. I'm forever glad
that you're my friend.

YOU AND ME

With time and care,
small seeds become
new trees. Thank you for
always being there. Thank
you for believing in me.

GRATEFUL
FOR YOU

This is a little
miracle; this is a wish
watching over you today.
When you look at it,
remember there are good
thoughts headed your way.

SENDING
YOU LUCK

You're made of
miracles and brilliance,
strength and grit and
stars. What a lucky
world this is, to have
you as you are.

YOU'RE
EVERYTHING

You make every
single day your own
work of art. It's so
wonderful to see you
make your mark.

YOU'RE
BRILLIANT

Time with you
is beautiful, no matter
what we do. You have a
way of making everything
brighter. I'm so glad
you're you.

THANK YOU

It's not easy. But you
are slowly, surely, making
something beautiful
from the hard things too.
And it's going to shine.
Because you're you.

YOU'RE
MIRACULOUS

You're unfurling,
day by day, and growing
towards the light. Trust
your own progress.
You're doing this right.

YOU'VE
GOT THIS

You grow, you shift,
you transform,
and become still more
perfectly you. It's
inspiring. I'm amazed
by everything you do.

YOU'RE
INCREDIBLE

You've been working
hard to end up where
you are today. And this is
where it begins. Your
sweet rewards are here;
they're pouring in.

IT'S YOUR
MOMENT

Consider this a
celebration. Consider this
a toast. I'm raising a joyful
glass to you, and to this
moment, and to everything
that matters most.

HERE'S TO YOU

Hooray! Your bright,
sunny day has arrived.
It's true: good things
are here, and the world
is on your side.

YOU DID IT

You change things
for the better—every day,
everywhere you go. It's
such a gift, the difference
you make. And I wanted
you to know.

YOU MAKE GOOD
THINGS HAPPEN

Everything you
touch, you make better.
It's true. This world
is made beautiful by
people like you.

YOU'RE
WONDERFUL
